

Combined: Group + Private

Factsheet 2024

DESCRIPTION

Students looking to learn Spanish with some additional personalized assistance should consider one of our Combined: Group + Private courses. Students will spend 4 lessons in a group class with other students of their same level and then have 4 to 10 private lessons per week to get extra assistance and focus on their needs.

QUICKFACTS

- 20 group lessons + 4 or 10 individual lessons per week
- Begin every Monday
- For complete beginners to advanced students
- Minimum of 1 week, maximum of 30 weeks
- Maximum of 12 students in group classes
- Schedule - mornings and afternoons
- 1 lesson is 50 minutes

PRIVATE LESSONS FOCUS

Students can focus their private lessons:

- Review content from group lessons.
- Focus on specific language skills like oral comprehension or writing.
- Learn new content outside the group class.

RAPID FLUENCY DEVELOPMENT

With the addition of individual lessons, students have an opportunity to explore in more depth the themes and topics discussed in group classes. The teacher can focus on the areas in which the student needs more attention and cover additional content. This allows some students to move faster through our level progression, making a combination course the best course for those looking to learn Spanish as fast as possible.
