

GROUP COURSE - 30 LESSONS

Factsheet 2024

DESCRIPTION

The Group Course of 30 lessons is our most intensive group course, perfect for students who want to have extra time in a group setting to practice their language skills. Students will participate in the same groups as the 20 lessons option, but have an additional 2 hours of class each day for extra class time.

QUICKFACTS

- 30 group lessons per week
- Begins every Monday
- For complete beginners to advanced students
- Minimum of 1 week, maximum of 44 weeks
- Maximum of 12 students in group classes
- Schedule - mornings and afternoons
- 1 lesson is 50 minutes

THE BENEFIT OF ADDITIONAL GROUP LESSONS

Students will have an additional 2 hours of group lessons each day in order to review and practice their communication skills. Rather than learning new grammar and advancing faster through our levels system, this course is designed to provide students with extra time with a professor in a classroom environment. More class time means that fluidity and use of language is increased, allowing students to feel more confident while using Spanish.

MATERIALS & TEXTBOOKS

Spanish uses the Aula textbook. Students are required to pay a €30 materials fee. Professors also incorporate material from everyday life (newspapers, CDs, internet, movies, etc.) along with the material in the textbook to ensure that lessons are relevant and interesting.
