

STUDENT SHARED APARTMENT

Factsheet 2024

DESCRIPTION

A Student Shared Apartment is a great way to have an authentic, independent living experience in the city. Students have their own bedroom and will share common areas like bathrooms and kitchen with other students. Most apartments have 2 to 8 tenants, so there may be other international students living in the same place, although this is not guaranteed.

QUICKFACTS

- Single or double rooms with shared bathroom
- Shared kitchen
- Includes free Wi-Fi, bed linens and towels, and weekly cleaning of common areas (each student is responsible for their own room)
- All apartments have been personally approved for quality and comfort
- Located up to 35 minutes to the school
- Minimum Age - 18

WE RECOMMEND THIS OPTION FOR THOSE WHO...

- Want an independent housing option
- Looks to live with other students
- Willing to adapt to household norms and living with others

ROOM OPTIONS

When selecting a Student Shared Apartment, students looking can choose between 2 room options. Here are the different options to select from:

SINGLE ROOM: The single rooms have a single bed. The windows typically face the street and the desk will always be within the room.

DOUBLE ROOM: The double rooms either one queen-size bed or two twin beds (depending on relationship of students). The windows typically face the street and the desk will always be within the room. Double rooms are for two students booking together.

LOCATION OF APARTMENTS

Our Student Shared Apartments are located in the best and safest neighborhoods in the city and they will always be within a maximum commute of 35 minutes from the school. Example neighborhoods are Guindalera, Chamberí, Legazpi, Cuatro Caminos, Tetuán, and Chamartín. They will always be close to public transportation (subway or bus) to make your daily commute as easy as possible.

WHO WILL STUDENTS LIVE WITH?

In the Student Shared Apartment students will live with other students, both Expanish and non-Expanish students who are mostly between the ages of 18 and 39 although there is no maximum age restriction. Apartments usually range from two to eight people, depending on the size of the apartment. Apartment mates may be of any sex, so there are no gender-specific apartments.
