### SIELE OVERVIEW

SIELE certifies the degree of proficiency for the Spanish language with four tests: **reading comprehension, listening comprehension, written expression and interaction, and spoken expression and interaction**; the exam also takes as a reference the levels established by the *Common European Framework of Reference for Languages (CEFR)*. This is a more dynamic exam created by the Cervantes Institute with the assistance of associated universities around the world.

## SIELE SECTIONS AND SCORES

The SIELE exam has 4 separate exam areas:

- Reading comprehension
- Oral comprehension
- Written expression and interaction
- Oral expression and interaction

## EXAM DATES

Expanish defines exam dates and these are typically on Friday, however, this exam can be taken at any time and is 100% online. The students can sit for the exam at Expanish at the end of their preparation course.

## SIELE EXAM COSTS

The cost depends on where it is taken. Here are the costs for Argentina:

- SIELE Global: 145€
- Module 1 - Reading comprehension + Oral comprehension: 55€
- Module 2 - Reading comprehension + Written expression and interaction: 75€
- Module 3 - Oral comprehension + Oral expression and interaction: 85€
- Module 4 - Oral expression and interaction: 70€
- Module 5 - Written expression and interaction + Oral expression and interaction: 85€

## SIELE RESULTS

Students of all levels take the same exam and students are given a number score to show their language level (much like the TOEFL in English). Each exam is scored from 0 to 250 and the score achieved has an equivalent MCER level. For example, a score of 120 on the Reading comprehension exam is equivalent to B1. **These results are valid for 2 years after taking the exam.**
